All new degree-seeking students, or those planning to take a course with placement prerequisites, must take a placement exam or have other placement measure credentials on file with the college prior to registering for courses. The current placement measures can be found on Triton's website. All students must satisfy course prerequisites prior to registering in a specific course.

For programs requiring English, students scoring in the developmental range on the English placement test must enroll in the appropriate developmental course sequence during their first semester and continue enrollment each subsequent semester until they meet the prerequisite for the college-level English course required in their program. For programs requiring math, students scoring in the developmental range on the math placement test must begin the appropriate developmental course sequence prior to registering for 15 academic credit hours and continue enrollment each subsequent semester until they meet the prerequisite for the college-level math course required in their program. Exceptions may be granted by the appropriate College dean.
