

State of Illinois High School Diploma Program

Are you planning to get your Illinois High School Diploma?

Our free test-prep courses help you to be ready to pass all four (4) subject area exams on the GED® or HiSET.®

Adult Education teachers coach students in the subject matter knowledge, test-taking strategies, and study skills important for passing the required Illinois High School Diploma tests: Language Arts, Mathematics, Social Studies, & Science.

Hyflex classes are offered online and in-person at the same time. Students choose which format works best for them.

Classes are open to eligible students and most are free (Advanced GED prep courses cost \$3/credit hour.)

Classes are offered in English or in Spanish.

It is not a requirement to take preparation classes prior to taking a State of Illinois High School Diploma exam, but it is recommended to increase the chances of passing.

FOR MORE INFORMATION: email adulthoodeducation@triton.edu or simply apply to the GED Program or the Spanish GED Program via the Adult Education website: [Adult Education | Triton College](#)
