**Christine leuter, CFO of Go2Logistics, is Featured Speaker at the  
School of Business Executive Series**

RIVER GROVE, Ill. – Triton College’s School of Business is hosting an Executive Series featuring Christine leuter, the CFO of Go2Logistics in River Grove, on Tuesday, Nov. 7, 9:30-11 a.m., in Room B-204 (B Building). The Executive Series is a way to highlight entrepreneurs and inspire students to form a life of leadership.

leuter began a relationship with Triton College in 2021, when she first became employed at Go2Logistics. She decided to connect with Dr. William Griffin, chairperson of the School of Business, about the possibility of providing internships at Go2Logistics for Triton students. Shortly after, Dr. Griffin invited leuter to be on the Supply Chain Management Advisory Board.

“There are so many areas at Go2Logistics where students could receive an internship or a possible job opportunity,” said leuter. “I would love to grow this relationship.”

According to its website, Go2Logistics is a family-owned business that provides freight transportation and logistics services to companies. Go2Logistics is located on West Street in River Grove, very close to the Triton College campus.
