The Triton College Board of Trustees is proud to reward excellent students and prepare them for successful futures through the Trustee Honors Scholarship. The two-year scholarship value is approximately $8,000; it pays for in-district tuition and fees for the freshman year and is renewable for the sophomore year as long as the specified grade point average and enrollment criteria are met.

Recipients of the award, like other Triton students, will benefit from the many educational opportunities here. Trustee Honors students can prepare for more than 140 technical career degree and certificate programs designed to prepare them for immediate entry into the workforce after a two-year program of study. A student may also choose, upon completion of their course work at Triton, to continue their studies for a bachelor’s degree at specific four-year colleges and universities.

At Triton College, there are many challenging opportunities for the student serious about academic achievement. We are pleased to support academic excellence through the Trustee Honors Scholarship.

Sincerely,

Mark R. Stephens
Chairman, Board of Trustees
Triton College
